3. Selection of co-chairs (1 parent & 1 staff) (**Parent: Waliya Lari, Staff: Crystal Rabe**)
4. Staffing Updates- Had a resignation in special education and plan to recommend a candidate very soon, leveling occurred in AISD and Baldwin is not losing any positions at this time
5. Budget amendments-
 - a. Last year, APEX fundraiser raised close to 70,000 and Baldwin chose to fund an interventionist/reading specialist, looking for two part time

candidates to fill this position, a budget amendment may be needed if we are unable to fill that position to decide what to do with the money

- b. Options for money if not able to hire for interventionist/reading specialist: Possible software/technology purchases but must be approved and have a bid first
6. Software updates- some software has been taken off the approved list and others must be approved first before purchase
7. TAPR Report- Principal reviewed TAPR report with CAC team and shared the CIP goals, performance objectives and strategies that were built from the TAPR report
8. CIP Goal - Family Engagement: We will offer a minimum of ten family school partnership opportunities for all families at no cost during the 24-25 school year.
9. Construction Update- waiting on fire marshal to come inspect, still pending doors and ethernet cables needing to be fixed and they are working as fast as they can to get it done
10. [AISD Attendance](#) - AISD is encouraging all schools to improve in attendance
11. After school programming- outside programming reach out and can rent our facilities and Baldwin gets a percentage back for the use of the space

Next meeting - Monday, October 7, 2024 @ 3:30 PM
